

# **BUCKERELL MEMORIAL**

## **LATE LADY MONTEATH**

At Buckerell yesterday morning there was dedicated at the entrance to the churchyard a gateway, surmounted by an arch and lamp, to the memory of Lady Monteath, wife of Sir James Monteath, of Buckerell Lodge, who passed away in February. The deceased lady was highly esteemed in the parish and surrounding district, and there was a large assembly at the special service. The wall on each side of the gate has been re-built, and a stone bearing a suitable inscription has been let into the wall. The work was carried out by Messrs. Wm. Power and Son, of Honiton.
